ABOUT
OROUBA MISR DEVELOPMENT

El Orouba Misr Development is one of the top-rated real estate development companies in Egypt. The company started in **1993** with a vision to revolutionize real estate development in Alexandria.

El Orouba Misr Development then started developing its landmark projects in Alexandria City, and followed in many premium destinations such as Tanta, Zagazig, and Damanhour.

The company has laid the cornerstone for many upscale, environmentally-friendly projects on a mission to inspire other real estate development companies to focus on sustainable development.

A landmark project by Orouba Misr Development is Orouba Royal Compound in Alexandria. Also, the company has achieved many positive figures during its years of operation. It is thanks to its strong vision and mission that the company has been able to do so.

ABOUT
THE PROJECT

Orouba Royal Compound is a luxurious project by Orouba Misr Developments. It is located on Alexandria’s west side, hosting a broad array of top-tier amenities.

The project consists of 4 distinctive phases, featuring 220 well-designed villas. These properties were developed to meet the needs of the company's visionary clientele who shared its desire to live an elevated lifestyle, away from the traffic and crowds of downtown.

Orouba Royal Compound hosts 5 distinguished functional home designs that suitably blend in with the community’s garden and surroundings. These homes were developed with an elegant architectural style and outstanding features.

Location of Orouba Royal Compound

The Orouba Royal Compound location was smartly picked in Alexandria, specifically on its west side. The project is near Burj El Arab Airport Road, at the end of Tameer Axis.
