ABOUT
CONTACT DEVELOPMENT

Contact Developments is one of the top-rated real estate development companies in Egypt. The company started in **2010**, and since then, it has been playing a pivotal role in shaping the Egyptian real estate landscape.

Thanks to its extensive expertise in real estate development and construction across KSA and Egypt, Contact Developments has easily scaled to the level of the best trustworthy real estate developers in the region.

The company has been working on choosing prominent locations for its projects, diversifying its spots of action between East and West Cairo. It has chosen New Administrative Capital City and El Sheikh Zayed City.

Contact Developments has developed more than 5 landmark projects in different prestigious locations. These projects are top-rated for their high quality; however, the most prominent and well-known one is Cayo Mall in New Administrative Capital City.

ABOUT
THE PROJECT

Cayo Mall New Capital is a high-end project developed by the real estate developer Contact Developments. It is touted as one of the best places for shops for sale with flexible installment plans, making it an attractive option for investors and business owners.

The mall aims to create a unique commercial experience that connects with its audience on a personal level, focusing on customer satisfaction and engagement.

Cayo Mall New Capital Location

Cayo Mall is strategically positioned in New Administrative Capital, located on two main streets near the LRT station. This prime location allows it to overlook the Downtown axis and the tourist walkway, enhancing its visibility and accessibility.

Cayo Mall New Capital is in close proximity to several vital places and significant landmarks, including:

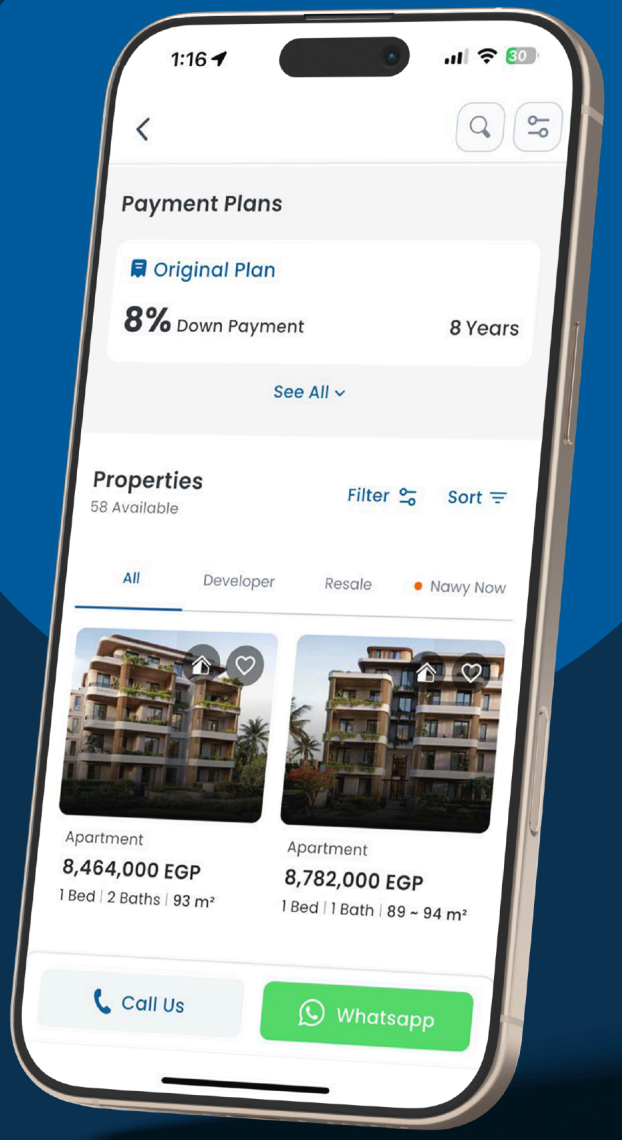

Green River
Al Masa Capital Hotel
Presidential Palace
Government District
Fairgrounds
