ABOUT
HYDE PARK

Hyde Park Developments is one of the leading real estate companies in Egypt. The company was originally established in 2007 by Damac Properties.

Later in 2011, it was subsequently acquired by Hyde Park Developments.

Hyde Park Development Egypt was created with the intention of meeting the rising demand from consumers for integrated residential communities.

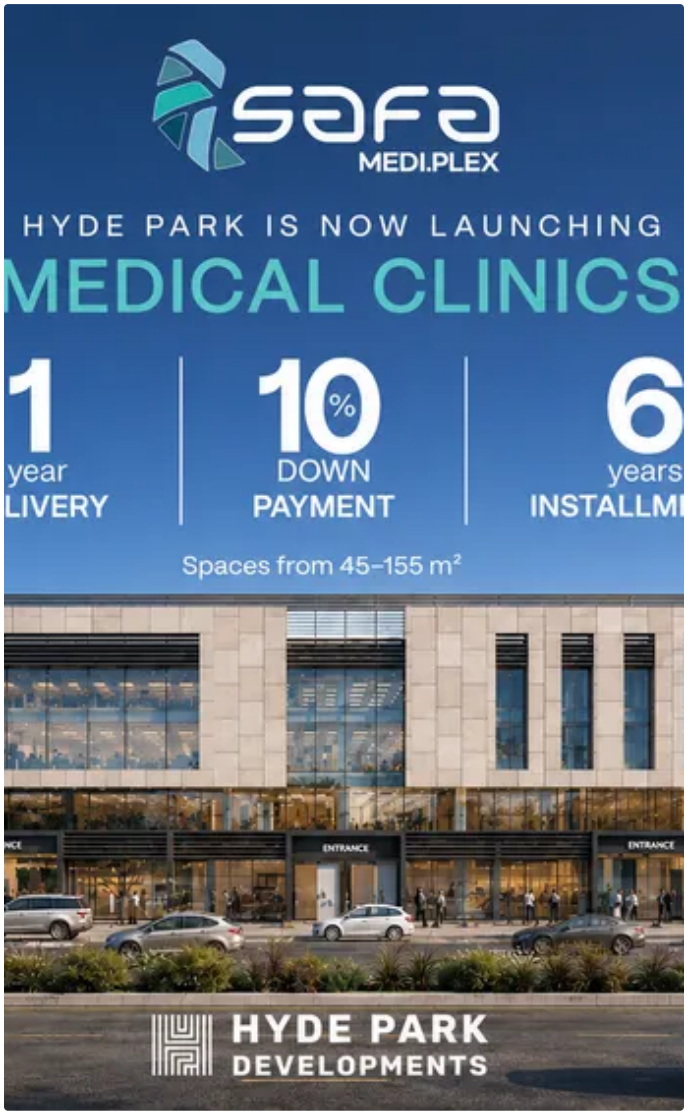

To be more precise, making a big difference in the real estate industry was the initial objective of Hyde Park Developments Company.

In the real estate sector, Hyde Park Egypt has established itself as one of the most reputable developers despite being relatively new. People are drawn together by the lively lifestyles and welcoming communities that the company builds.

In 2016, the company underwent a whole makeover with a new branding approach to improve its reputation.

Hyde Park Developments History & Timeline

Founded in 2007 by Damac Properties and later purchased by Hyde Park Developments in 2011, the company rose to prominence as Egypt's top private
