ABOUT
ARCO

ARCO Developments is a prominent real estate development company in the Egyptian market, specializing in the creation of integrated residential, commercial, and resort projects. With a commitment to excellence, ARCO has established a strong reputation for delivering high-quality developments that meet the diverse needs of its clients.

Its focus on innovation, quality, and customer satisfaction has been pivotal in driving the success of its projects. At ARCO Developments, it continually strives to enhance its capabilities and uphold the highest standards in all its endeavors, ensuring that it remains a trusted leader in the real estate sector.

Facts About ARCO Developments

With a proven track record spanning over a decade, ARCO is recognized as one of the leading real estate developers in Egypt. The company was founded on a vision of creating self-sufficient communities and integrated residential, commercial, and resort projects throughout the country.

ABOUT
THE PROJECT

Bellagio Compound is one of the most premium residential compounds in New Cairo City by Arco Developments. With a distinctive design, a prime location in New Cairo City, and a world-class collection of villas, Bellagio Compound by Arco Developments is where luxury living meets convenience.

The high-end gated community is well-known for the unique living experience it offers. From its master plan and facilities to its location and properties, every element of Bellagio Compound was carefully selected for your comfort and happiness.

Bellagio Compound New Cairo Location

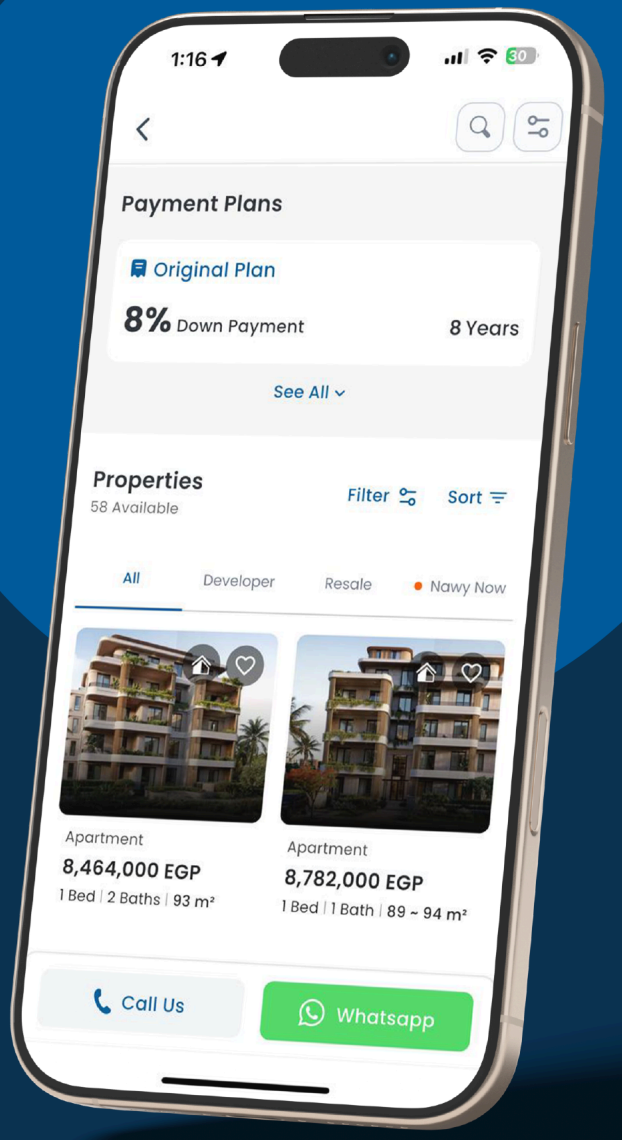

To ensure you lead a convenient life away from crowded areas, Arco Developments strategically chose the location of Bellagio Compound in the heart of New Cairo City, specifically in the North Investors Area.
